## Chapter Souvenirs!

Story retelling is “in the bag” when you gather a souvenir for each chapter of the book you are reading!

This month, you are asked to select and read an appropriate **realistic fiction** chapter book. Decorate a bag with handles, being sure to include the title and author of the book you are reading. Be sure your name is on your bag, too!

Next, cut out one response card (attached) for each book chapter and staple the stack of cards between two construction paper covers. Write the title of the book you’re reading on the front cover and store this booklet in the decorated bag.

As you finish reading each chapter, fill out a blank page in the booklet. If you have a small souvenir item for the chapter, place it inside of the bag. If not, draw the item and place the illustration inside of the bag. When you have finished reading your book and have completed your response booklet, practice using your bag of souvenirs to retell the story!

**This project will be due on** Friday, October 7, 2016.
